Dance and sing along to "Hosanna Rock!" <https://www.youtube.com/watch?v=96pcmyyHaZk>

Or enjoy one from Fischy Tunes that reminds us that God's love gives us strength and helps us to, 'Get back on our feet again' in spite of life's knocks: <https://www.fischytunes.com/video-repo/stronger/>

## Welcome to The Rainbow Room

We are lucky to have big classrooms and plenty of space in our school and have been reviewing how we can use this space to give children bespoke areas for enrichment and reflection.

After talking with the children and staff, they have chosen to create a place for calming and reflective activities which will be open at lunchtime. We had some wonderfully creative suggestions for a name

and have settled for, **The Rainbow Room – a place of hope, trust and respect.**

## Meeting for Parents: Personal, Social & Health Education (PSHE) with Relationships and Sex Education (RSE):

**Wednesday 31<sup>st</sup> March 1330-1400 and 1830-1900**

Please join us for a zoom information evening where we will be explaining the content of our PSHE and RSE curriculum and there will be an opportunity to you to ask any questions that you might have.

Please read our Policy and find out more about our curriculum on the school website:

Don't forget to keep up to date with what is happening in school by regularly visiting our school website at: <https://www.st-swithuns.notts.sch.uk/>

#### Website calendar:

A feature of the school's website allows you to subscribe to events from the school calendar so that they download into your own personal calendar on your mobile phone, tablet or computer.

All you need to do is visit the calendar on the school website and click the link called 'Link the school events to your personal calendar'.

You can then choose from three options: to add to your default calendar (for example, on an iPhone it will go to the iPhone calendar); to add it to your Google calendar; or input it to your calendar programme of choice.

Things to know:

- If the school edits its calendar, the updates will appear automatically in your calendar (the time that this takes to happen will depend on your calendar programme).
- You cannot edit the events in the school calendar.
- All events will pull through in one colour only, not the colours set by the school.
- You can name the calendar and choose how often to receive updates (we recommend you set this to as often as possible).
- You can unsubscribe via your own calendar at any time.
- If you have any questions or feedback, please let the office know.

### **HOLY WEEK and end of Spring Term**

Next week is Holy Week. We will start to reflect on the meaning of Holy Week starting with our Friday whole school worship which is held in the Hall with one class and remotely across the whole school so that children can see one another and all contribute to this special time.

Please let the school have your views. Your feedback really helps us to improve our school provision. Please take 5 minutes to answer this short 10 question survey on how your child coped with remote learning and how they have settled back into school. The link to the survey has already been posted on Class DoJo, however, if you need the link again here it is:

The last day of the spring term is **Thursday 1<sup>st</sup> April**. We look forward to seeing all our children back in school on **Monday 19<sup>th</sup> April**

**The St Swithun's school team wishes you a peaceful, safe, and happy weekend.**
