THANK YOU

Thank you for supporting our arrangements for dropping off and collecting children at the beginning and end of the school day. We are continually reviewing our systems, putting our children's safety first. We appreciate that there are important messages that you need to pass on to the class teachers. Teachers will pick up dojo messages during the day. For urgent messages, attendance or late arrivals/pick-ups please phone the school office

British Science Week

Physical Education (PE)

One of our school priorities is to provide every child with 2 hours a week of the highest quality PE lessons. This year we are working in partnership with Retford Oaks Academy PE team who are teaching PE sessions together with our teachers.

It is very important that children change into suitable clothing for PE so that they can be comfortable and confident. Please make sure that your child has their PE kit in school on PE days.
