Playground Project

Due to health and safety concerns, we have postponed the Phase 2 of the playground project until Half Term. This does mean that we will have to put up with the Heras fences for another 2 weeks! Thank you for your cooperation and patience as we work to provide our children with the playtime provision that they deserve.

Breakfast Club:

Breakfast club runs from Mon to Fri every week from 0800-0845. It is led by Mrs

Godbehere and Mrs White and will be held in the school hall and the Rainbow Room. Bookings for the week ahead must be made before Friday lunchtime as the office email is not monitored at the weekends

FACES, PLACES – the Big Draw Project:

We have delivered our Big Draw project - 'FACES, PLACES' to Retford library.

The project celebrates place and our connection to it and will result in a mass portrait of the country!

The Big Draw festival is the month of October and selected coasters will go on display at our local library.

Don't forget to pop in to see if your coaster has been chosen for the exhibition. Please note Retford library can advise about the project but the exhibition is at Worksop Library.

All classes had great fun taking part.

The St Swithun's school team wishes you a blessed and peaceful weekend.
